May 2026

Principal's Message

Families,

Jump Rope for Heart, Gardening, Numeracy Lessons, Mini Track Meet... May is a month full of activities and learning.

Please remind your child to dress for the weather because all classes will be spending more time outside.

Building physical fitness and physical literacy skills are part of the BC curriculum. The curriculum focuses on wellbeing and all aspects of health: physical, mental, social, and intellectual.

Wellbeing is created at school and home – as in all aspects of learning, Twain Sullivan is here to support you as you raise your child!

Here is a fantastic website that offers physical literacy activities that students can try at home!

<https://www.strong4life.com/en/being-active/physical-activity/basic-movement-skills-milestones-for-kids#adolescence-improving-physical-literacy-to-be-active-for-life>

Let me know if you try any of these activities!

Sincerely,

Ms. Neto

Twain Sullivan Jump Rope for Heart 2026!

Exciting news! Jump Rope for Heart is kicking off at Twain Sullivan! Our school will again be participating in the national event that puts the “fun” in fundraising. We are thrilled to be jumping into this worthwhile program. Learn more at www.jumpropeforheart.ca.

Last year, Jump Rope for Heart was a huge success across Canada. Nearly 880,000 students participated to support lifesaving research. With your family’s help, our *students can also make a big difference in helping to beat heart disease and stroke* – our school fundraising goal is \$2000.00!

Leading up to our Jump Event Day, we will be having fun getting active and learning EASY healthy habits – stay tuned for more details to come.

Don’t miss out, **register today** by creating a personal fundraising page for your child/student ([here’s how](#)), at:

<https://jumpropeforheart.crowdfunder.ca/120083>

(www.tinytowntraffic.ca)

Welcome to Tiny Town Traffic... Created by Twain Sullivan's very own Chael Hestad who is a Parachute Youth Road Safety Ambassador!

...where learning road safety is an adventure!

Tiny Town Traffic is a fun, interactive place where kids can explore streets, sidewalks, crosswalks, and traffic rules without leaving their home. We show how to stay safe while walking, biking, or scootering around town.

Our goal? To make learning traffic safety fun, memorable, and full of tiny wins.

Dear Parents and Guardians:

Just a short reminder that the auditions for Hercules (Missoula Theatre) will be happening on **May 4 at the Houston Plaza for K-9 students**. All children are invited to attend the audition at 10:00am - 12 Monday morning. At the conclusion of the auditions, the children will be given a practice schedule for the parts they have received.

The practices will be from **10am-12pm and 1pm-3pm**, Monday through Friday, at the **Houston Plaza**. The age of the students and the part will determine how many practices they will attend. For example, the K-1 have three practices that they attend. The practice schedule is handed out at the end of the audition.

The performances will be at **3pm and 5pm** at the Houston Plaza Theatre. Ticket prices will be \$5 for children and \$10 for adults.

Thank you so much for your support,

Tanya Margerm
